ABOUT ME

Highly motivated and detail-oriented Front-End Developer with two years of professional experience spanning two reputable companies. Proficient in HTML, CSS, and JavaScript, I specialize in crafting engaging and responsive user interfaces that elevate user experiences. With a keen eye for design and a commitment to staying updated with the latest industry trends, I consistently deliver high-quality solutions tailored to meet both client needs and project requirements. Additionally, I have experience assisting senior developers, leveraging their expertise to further enhance my skills and contribute effectively to collaborative projects.
